Table MARGO SQUARE LINO

Practical symbioses between solid wood and linoleum

The evolution of the multiple award-winning table MARGO iF Design Award, ICONIC AWARDS 2017 und German Design Award 2017.

At first glance the graphic quality of the table's modern form appears. The structural elements are defined by clarity of line. The diverse design possibilities give a freedom choice in combining solid wood with linoleum. The edge profile can be chosen between straight or slanted edge. Whether subtle or prominent design everything is possible completing the graphical expression.

The trend barometer of the interior design industry ICONIC AWARDS: Innovative Interior honoured the table MARGO SQUARE LINO with the award "selection" in the category "interior". The combination possibility creates individual design freedom for architects and property developers. The German Design Council saw as well the distinctive features and nominated the table for the German Innovation Award 2019. The innovation lies in the details with sustainable effect with the interplay of natural materials and craftsmanship.

Available in all linoleum and solid wood types from vitamin design collection: European oak and knotted oak, ash, beech, core beech, American maple, walnut and cherry wood, treated with herbal oil.
